

WINTER ATV & UTV RIDING IN SAWYER COUNTY

January 2025 newsletter

SAWYER COUNTY

WOODED TRAILS: Winter trail use of 4 different forest systems; county forest trails, Chequamegon forest trails, LCO forestry trails and the State Tuscobia Trail in Sawyer County.

ROAD ROUTES: connecting road routes are open all year and include all county roads (named with letters) outside of LCO reservation, plus the City of Hayward and many other towns open to ATV use- see our 2025 map or Trail Treker for accuracy!

WHERE CAN I RIDE MY ATV/UTV IN SAWYER COUNTY?

You can ride almost everywhere you can ride during summer months but pay attention to the following important tips and restrictions:

Most TRAILS close to UTVs when snow grooming for snowmobile use begins- this can happen suddenly so keep an eye on the weather and call ahead before you drive here to ride.

ATVs under 900 lbs., can ride our dual-use ATV trails during winter, even when snowmobile grooming is going on.

Tuscobia Trail in Sawyer County closes from 11/15 to 12/15 each year- after that it is open to ATV/UTV, even during snowmobile grooming.

Flambeau River State Forest trails (SE corner of Sawyer County) are closed to all ATV/UTV use from 11/15 to 5/15 each year.

Trail 203/21 (trail/route combo) from north of Moose Lake to Namekagon area is closed to ATV/UTV use from 10/23 to May of each year.

Trail 31 north of the Tuscobia Trail (Trail 10- Birchwood area) is closed from the third Sunday in October to Memorial Day weekend each year.

You cannot ride on 'snowmobile only' trails- stay on ATV trails shown on our map.

Our Sawyer County businesses and trails welcome ATVers! Come for fun and stay for the Northwoods ambiance!
